# WELCOME TO ARDNAMURCHAN RESTAURANT, WHERE WE AIM TO BRING YOU THE FINEST OFFERINGS FROM SCOTLAND'S LAND AND SHORE.

The name Ardnamurchan comes from the Gaelic 'Àird nam Murchan' translating as 'headland of the great seas' and is one of the UK's great unspoiled wildernesses. Rugged, isolated and utterly wild, it juts into the Atlantic at the most westerly point of the British mainland.

The area is renowned for the quality and freshness of its local produce, including fish and shellfish from the sea, lochs and rivers, deer, cattle and sheep raised in the hills and glens and wild game from the heaths and moorland.

We pride ourselves on sourcing the freshest most sustainable produce Scotland has to offer. Our venison comes directly from the Ardnamurchan Estate where the deer roam free, our fish and shellfish are caught fresh from the sea off the West Coast of Scotland and our beef comes from the lush Speyside region of Scotland, renowned for producing some of the best beef in the world.
